- 1) Final planning for the upcoming Scoutmaster & Asst. Scoutmaster Leader Specific Training to be held Saturday, April 30, 2011 at Bitman Hall.

#### Staffing Needs

As of Tuesday, April 26, 2011 there were only three people registered for Scoutmaster Specific training. As a result, it was decided that the full staff would not be needed and that Paula and Scott could handle all of the presentations between the two of them. Bill Paben would still attend the training as administrative support handling such duties as registration, completion of the Training Attendance Report and Trained cards for the participants.

#### Supply Needs

An inventory of the Scoutmaster Specific Training bins was conducted to determine what supplies we had on hand and which ones needed to be replaced. A complete list of what was needed and who was to procure it would be compiled by Bill and forwarded to the staff members.

- 2) Pre-course Meeting for Introduction to Outdoor Leader Skills/Outdoor Leader Skills for Webelos Leaders – Scheduled for Noon, April 30, 2011 at Bitman Hall.

Individuals attending the Outdoor Leader Skills Training weekend in May are to attend a pre-course meeting so as to be told their patrol assignments, meet with their fellow patrol-mates, and take part in some preliminary patrol planning.

As of Tuesday, April 26, 2011 there were only 8 people officially registered for the course. However, a number of people have called the training staff directly indicating that they would be coming in for the training, putting the unofficial number of participants closer to 20.

- 3) Staff Vacancies – due to unexpected changes in work and other circumstances, Bob Quick has had to withdraw from the training events for both the Scoutmaster Specific Session on April 30 and the Outdoor Leader Skills weekend in May. Once a final number for the May event is known, the decision to replace him will be made.
- 4) May 13 – 15, 2011 – Leave No Trace Trainer Course – presented by Rodger Phillips at Camp Miakonda. Roger reports that the number of registrants has now reached 16. In order to put on the training, Rodger and Scott have made arrangements to borrow the media projector and a computer from Paula Ball.

As of this date, there are no additional leader training events scheduled for the district or council after the Outdoor Leader Skills training in May. Trainings will resume in the fall.
