## Course Overview

Wood Badge is open to all Scout leaders. The course has been developed for Cub Scout, Boy Scout, Varsity Scout, Venture Scout, District, and Council leaders. The course focus is on developing leadership skills, not on out-of-door skills.

## Learning Objectives

- View Scouting globally, as a family of interrelated, values-based programs that provide age appropriate activities for youth.
- Recognize the contemporary leadership concepts utilized in corporate America and leading government organizations that are relevant to our values-based movement.
- Apply the skills they learn from their participation as a member of successful working team.
- Revitalize their commitment by sharing in an overall inspirational experience that helps provide Scouting with the leadership it needs to accomplish its mission on an ongoing basis.

## Participant Prerequisites

All participants must have completed the Basic Leader Training Course for their position in Scouting. Outdoor Skills Training is not required but would be useful. A full Scout uniform will be the dress for the course.
