

We had light attendance BUT we got a lot done.

We heard a good presentation from Clean Streams regarding the work that will be occurring at Camp Miakonda.

We discussed unit Pinewood Derbies and Blue and Golds. Folks shared ideas.

We spent quite a bit of time on the 2012 Cub Family Camp-out.

We discussed having a separate Webelos area/program to attract the older boys. We want to eliminate the "been there done that" attitude.

We're looking at fire, sharp object and COOL crafts; things like making fire starters, branding things, 2 man saw, building a shelter, cooking, etc.

We want to give them things they don't ever or often do AND give them a taste of Boy Scouting.

Lisa Marsalek will work with the Disabilities Awareness Committee to try and have something available. We're looking at three factors:

FUN, educational and possible patch and belt loop. THANKS LISA!

We will have information out in March so we can get this out at the district Pinewood Derby and units AND FAMILIES can get this on their

calendars. The thought is also to use Cub Family Camp-out as a recruiting tool to go along with the fall roundup.

Leaders are excited about getting specific information this far IN ADVANCE rather than at the last minute.

We also discussed Spring Roundups and how much they can benefit a unit's strength and vitality. We discussed specific ideas for Spring Roundups; good discussion!

We discussed Lad & Dad and Mom & Me. Check with Matt for more information.

Lad & Dad is 4/28 - 4/29 MOM ARE WELCOME.

Mom & Me is 5/5 - 5/6.

WEBELOS WEEKEND is 3/30 - 4/1 and is approximately 35% filled. Make your reservations NOW!

We only have two (2) more roundtable left (March & April). If there are things you want or need to discuss please let me know.

Gary
