

04/30/2011 Scoutmaster & Asst. Scoutmaster Leader Specific Training Event Report

Scoutmaster & Asst. Scoutmaster Leader Specific Training was held ON Saturday, April 30, 2011 from 8:00 am until 4:30 pm at Bitman Scout Hall at St Clement's Church on Tremainsville.

Staffing the event was Paula Ball, Scott Moffett, Bill Paben, and Mike Pierson.

Per information received from Council, only 3 individuals had registered to take this training. Actual number in attendance was 10. Two of the participants reported that they had gone to the Scout Service center and had tried to register for the training, but were told that no one there knew about any such training taking place. This issue has already been discussed with Ian Blodget, the Council Training Committee Advisor.

The training was originally to be held at Jaeger Hall in St Clement's church, but due to the small number of people expected to attend and other demands on the facility, it was decided to relocate the training into Bitman Scout Hall which is located adjacent to Jaeger Hall. Signs were put up to direct any participants over to Bitman Hall.

Due to the unique environment and advantages available at Bitman Hall, it was decided that future Scoutmaster Leader Specific training could be conducted at that location.
