

## 10/10/2011 NW District Training Committee Meeting Minutes

Attending: Paula Ball (NW District Training Chair)

Russ Eby

Gary Holewinski

### Agenda:

#### 1. Old Business

- Unit Training Survey
- Cub Leader Specific Training 10/17 – 10/18
- University of Scouting
- Change in Training Structure

#### 2. New Business

- Venturing Leader Training Coordinator
- Rangemaster Training

### Old Business –

- Unit Training Survey – the new “Trained” and “NOT Trained” reports for the district have been received and are being reviewed to determine who, by unit, needs training for their positions. Reports are being compiled and will be handed out by December.
- Cub Leader Specific Training – the CLS training set for Monday, Oct. 17 and Oct. 18 is still on the schedule. However, as of close of business Monday, Oct. 10, 2011, no one has signed up for it.  
Regardless of whether or not anyone signs up, Paula Ball will still be at the Ford Center on 10/17 to present Modules 1 & 2 in case anyone shows up. Based on Monday’s attendance, other trainers will be notified as to whether or not they are needed for the next session.
- University of Scouting – thanks to the eagle eye of Sonya Whitehead, a few errors in the class schedule was discovered. The errors involved misnumbering some of the courses, but as the course title was also included, the error should have little impact on registration.

Gary Paczner passed on a request from Campmaster Coordinator to add the Campmaster training class to U of S. There is room on the schedule to allow a class in either the morning or afternoon – or both of necessary. Gary was advised to have Doug send along his time preferences and a course description.

- Changes in Training Structures – Council Training Committee met on 9/27/2011 to discuss, among other things, assigning responsibility for courses to one particular trainer. NW District has been assigned responsibility for University of Scouting under the direction of Paula Ball and Venturing Leader Specific and Venturing Youth Protection under the direction of Scott Moffett. Scott Moffett, who was not at that meeting, but was contacted later, has agreed to be the Venturing Training Coordinator. However, not all of the trainings have been assigned coordinators and, until all coordinators are set, NW District will continue to offer all trainings.

#### New Business –

- Venturing Leader Training Coordinator – as mentioned NW District has been assigned responsibility for handling the Basic and Youth Protection Training for all Venturing Leaders. Scott Moffett has agreed to be the coordinator for these trainings.
- There are plans to have Aaron Crawford, who obtained Rangemaster Trainer's Certification, offer certification courses twice a year. Individuals taking the course would then be certified to act as rangemasters at camporees, campouts, etc. for both BB Gun, Archery, and the Wrist Rocket ranges. They will not be able to teach, however. Once the dates are set, for these trainings, they will be publicized so as to get as many people trained as possible.
