Where Girls Grow Strong™

What is the Walleye Scout Experience?

Great question! It's a custom learning program created especially for Scouts, wrapped around an exciting Toledo Walleye hockey game. But the key ingredient is fun.

For the "boys", we have the Boy Scout Pregame Jamboree and the Postgame Sleepover, with two dates available for each.

For the "girls" we have a fun-filled Girl Scout Pregame Jamboree on March 23.

Why Should Your Troop Attend?

Thousands of Scouts and their families have already enjoyed the Scout Experience during the first three Walleye seasons!

It's a great way to meet other Scout troops from around the area and make some new and lasting friends.

Mostly, it's just plain fun and a very positive experience for all involved. For many troops, it's been the first professional hockey game they've ever seen. And the Walleye are definitely an exciting team to watch!

A Guaranteed Great Time for All Scouts!

You Don't Have to be a Hockey Fan to Love It!
