Due to the unexpected illness of Rodger Phillips on Sunday, Erik Olson stepped in to teach the Map & Compass sessions. The course, however did run on time with no significant delays. It also finished on time.

- 2. **Final Participant Count** a total of 32 people registered for the course. 31 actually showed. Of those 31, 8 were from NW District.
- 3. **Evaluations** Evaluation forms have been given to all of the participants for completion. They have been instructed to either return it by e-mail, or if wishing to remain anonymous, mailing it directly to me. Once the evaluations are returned, a post-course wrap-up meeting will be held to discuss the results.
- 4. **Future Staffing Needs** potential future staff members are being identified based on the observations by current staff and a question included in the evaluation asking if any of the participants would consider serving as staff on future courses.
- 5. **Informational DVD -** a course-related materials are being complied on a DVD for distribution to participants.
